

## SLPS SUMMER SEASON 2021

### 1/7/21 **New Brighton**

co-ordinator: Tim Evans

We should gather at the shelter at the S.E. corner of the New Brighton Marine Lake between the Fort Perch Rock car park and the Floral Pavilion from about 7 p.m. From about 7.30 I anticipate we will dissipate in all directions as the choice of subject matter is considerable. The choice includes a lighthouse, a fort, (closed) boating lake, promenade, funfair, Victoria Road and surrounding murals and Wellington Road Victorian villas should you wish to do some architecture. I recommend The 3 Bellends pub as our final resting place from about 9.30. Other hostelrys are available.
